2.	Matters Arising	
	2.2.4.4.2 JK note regarding contact with Stockport Homes had been circulated. It was agreed that these would be discussed at Committee on 7 th March. [Post meeting note. The Committee agreed that SH would be invited to a meeting and that this would be open to all the Committee].	JK

3	Progress	
	<p>3.1. RB reported that he had received a note from Sam Rosillo at Aecom to say that the Landscape Study had yet to be signed off due to resistance from DCLG but he thought that it was almost at the point to be signed off. RB to report developments.</p> <p>3.2. Grant monies had been transferred to the AVRO Museum so the Wildlife study can proceed.</p> <p>3.3. Policy development was in progress. We now had draft policies for the Employment and Environment objectives. RB had also drafted a number of Sustainability policies subsequent to comments by the Angie Jukes of SMBC. This would form part of different policy areas. Preparation of Movement and Integration policies, by PG and RB respectively had paused to take account of any discussions at the PBA presentation on the Movement Study and the meeting with Redrow, both had taken place on 1st March. JS reported on progress on the Community Policy. Development has been the subject of discussions at a number of previous meetings and policies are being prepared by JK who was not present.</p> <p>3.4. The presentation by PBA regarding the movement study was discussed. It was noted that the 'Healthy Towns and Villages' initiative had been launched and a key element of this was encouraging the creation of better environments for walking or cycling. Kevin Brookes (SMBC) had noted that while work would be undertaken as a result of the Section 106 agreement with Redrow – e.g. traffic calming on Moor Lane - funding may be available for some further works from the Compensatory Mitigation Scheme arising from the A6 MARR scheme. RB felt that we should consider any measures for Woodford immediately and not wait for the development of Policies and ultimate Making of our Plan. He suggested improvements to the islands on Woodford Road to improve traffic calming and giving safer crossing, repairs and improvements to the Woodford Rd/Chester Road roundabout and its</p>	<p>RB</p> <p>RB</p>
