To: Planning Officer

DC/080907 | Replacement of existing roof with a 700mm increase of the ridge height including rooflights to the existing dwelling. Single storey side extension following demolition of store room, two storey front extension and porch, part single, part two storey rear extension with single storey side kitchen extension. Single storey boot room and garage structure attached to front of house. Facade of house to be replaced by brickwork external skin to whole house. | 453 Chester Road Woodford Stockport SK7 1QP

Comments

- We note that a previous application was granted permission and this is a new application with some differences, for example the car port at the front is now joined to the house via a boot room.
- It is not clear whether all the documents have been updated because the site plan does not seem to match the floor plan.
- We did not find a notification in the WNF email inbox, but it did arrive via a personal email notification "Saved search results and Tracked Applications have been updated".
- We have no objections to this application.

Yours sincerely,

A handwritten signature in black ink that reads "E. M. Frearson".
