Proposal: Demolition of single storey bungalow + associated garage, clearance of site and making good area with hardcore finish

Location: 132 Woodford Road, Woodford, Stockport, SK7 1PD

General comments

- Demolition seems appropriate, but we wonder why it is proposed to remove the trees.
- Rather than a fenced off area of hardcore, the area could provide an opportunity for more constructive uses, such as grass, shrubbery or a little area of trees. We believe that we should be looking at every opportunity, however small, to introduce more vegetation to offset climate change and enhance the landscape for residents.

Yours sincerely,
