Key observations

- ▶ Large number of planning applications in the Woodford Neighbourhood Area again (51)
- ▶ Many applications for extensions, which were mostly non-contentious
- ▶ Some applications for very large extensions representing large volume increases
- ▶ Problems with receipt of notifications by WNF from SMBC and unreliable access to the SMBC planning website
- ▶ Planning officers have offered to meet WNF management committee to discuss
- ▶ A few controversial applications

Controversial applications

- Prior approval by a telecoms company for a 5G mast

Image created by resident with 5G mast image superimposed on proposed site

Controversial applications

- ▶ Disappointing design for the proposed commercial centre on the Woodford Garden Village

Implementation of Aspirations

- Encouraging walking, cycling and community integration
- Woodford Showcase at Community Centre 18 June 2022 increased awareness of local businesses and organisations
- Redrow provided funds for the marquee
- Woodford Summer Fair 10 June 2023

Future tasks

- Continue to respond to planning applications
- Continue to monitor implementation
- Monitor changes in local and national policies
- Continue to advocate for the aspirations
- Review of WNP will be needed:
 - when new Stockport Plan is adopted
 - or after five years in 2024

Stockport Local Plan

Text from the Stockport Council website

► What is the Local Plan

“Our Local Plan will set out the vision for future development in the borough. It will be used to help decide on planning applications and other planning related decisions for the next 15 years. The plan is a guide to what can be built where, known as a land use plan.”

Stockport Local Plan

Text from the Stockport Council website

► Why we have the Local Plan

“Adopting the Local Plan will:

- make sure Stockport has the right land, homes and infrastructure in the right places, for current and future generations
- address the key issues facing the borough such as the climate emergency
- identify those places and sites where change and development can best be accommodated
- help us plan for development in a coordinated way whilst protecting what we value most in Stockport such as our environment, community and heritage assets”

<https://www.stockport.gov.uk/about-the-stockport-local-plan/why-we-have-the-local-plan>

Stockport Local Plan

- Stockport Borough Plan established key principles for a Local Plan
- Involved consultation with a wide range of local organisations during 2020.

<https://www.onestockport.co.uk/the-stockport-borough-plan/>

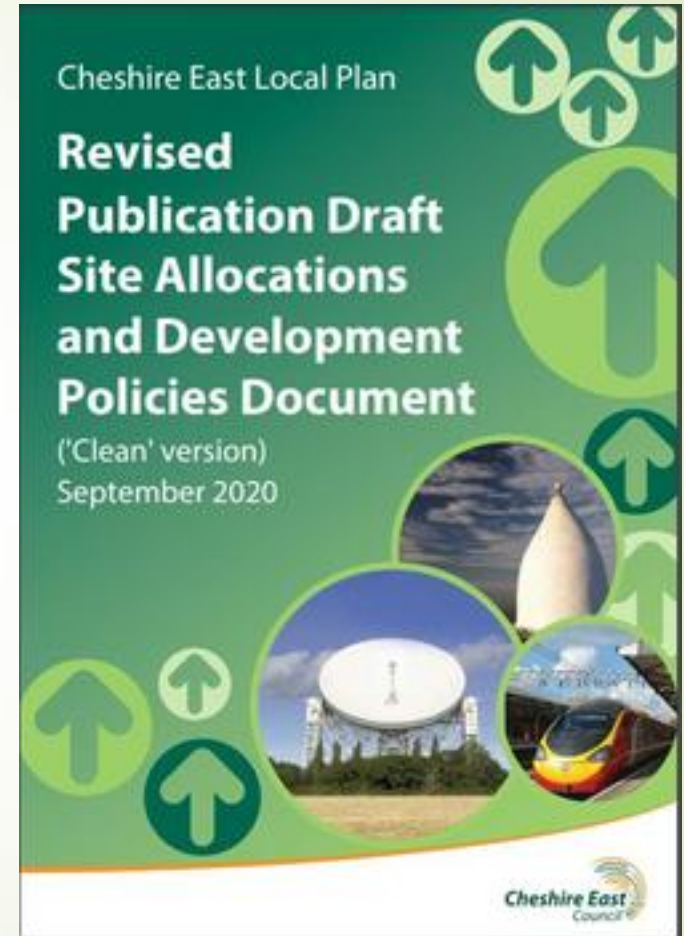

- Stockport Council is currently preparing an updated Local Plan
- Consultation in autumn 2022 was postponed due to current uncertainties at national level and economic pressures on residents and businesses
- Stockport Council meeting on 6th October agreed that consultation should commence by no later than 28th January 2023

Handforth Garden Village

- Site allocation in CEC Local Plan Part 1, adopted 2017
- On Government list of “flagship” Garden Villages
- Hybrid Planning Application submitted to CEC May 2019.
- Two parts to PA:
 - Outline planning application for demolition works, 1500 new homes, employment uses, village centre, infrastructure, new green infrastructure.
 - Full planning application for initial preparation and infrastructure works.
- New documents posted on website in Sep 2022
- The applicant is the Borough Council as it owns some of the land.
- The Council’s Economic Development Team are leading the project not the Planning team.

Handforth Garden Village

- ▶ Planning application for initial preparation and infrastructure works including:
 - earthworks, remediation, re-profiling and preparation; access works
 - other highway infrastructure; drainage; utilities; demolition and replacement of A34 bridge
 - strategic green infrastructure; and other associated infrastructure.

Changes to Planning Regulations

- Levelling up and Regeneration Bill going through Parliament
- Revised NPPF (expected next year)
- Consultation on economic burden of net zero target (ends 27 Oct)

<https://www.gov.uk/government/consultations/review-of-net-zero-call-for-evidence>

- The BEIS Secretary of State commissioned a review to ensure that delivering the net zero target does not place undue burdens on businesses or consumers.
- Report at the end of 2022.
- Consulting investors, industry, and experts in different fields
- Supplementing with a broad call for evidence, giving the general public, businesses and other organisations a chance to share their views on the whole economy transition, maximising net zero growth opportunities, the challenges to address in this review and the future of net zero.”

Poynton Relief Road

- Joint project between Stockport and Cheshire East Councils
- Graham awarded the £26.5m contract, including some Government funding in September 2019
- 3.5km long, two-way single carriageway road.
- Upgrade two off-site junctions at Adlington Crossroads and Bonis Hall Lane, along A523
- Footway and cycleway facilities, two new overbridges, and ponds for drainage
